We'd like for you to write a little about you and your life (spiritual journey) before you come to ENLIST. Here are some questions we'd like to have you answer in an essay style with 75-100 words. Use a separate paper for your answers, corresponding each one with the same number as the question. Staple it to this page when you are done. Your answers will remain confidential, so please be honest.

1. What is your purpose in life and how do you feel like you are fulfilling that?
2. What does loving others like Jesus mean to you?
3. Describe your journey with God and how he makes your life worth living.
4. What are the things you count as blessings about your relationship with your Father and what are the ways that you wish your relationship was better?
5. What are the things you count as blessings about your relationship with your Mother and what are the ways that you wish your relationship was better?
6. How does social media/technology affect you in good and bad ways?
7. How do you as a young man, reflect the character of God?
